ACADEMIC ACHIEVEMENTS

Haskayne students are renowned for both their strong leadership skills in the business community as well their academic achievements. Here are a few opportunities that might make it worth putting in that extra hour or two of study...

SCHOLARSHIPS & AWARDS

Each year, undergraduate students are awarded over \$12 million by the University of Calgary in scholarships, awards, and bursaries ranging from \$500 - \$23,000. After your first year, you will be able to apply for the University of Calgary's [Continuing Student Awards and Bursaries](#) as long as you complete your Fall and Winter terms at the University of Calgary as a full-time student and take at least 8 half-course equivalents (or 24 units). The Government of Alberta also offers a number of scholarships for [residents of Alberta](#).

Our office will also send out award opportunities throughout the year – so make sure to check your ucalgary.ca email account often!

SUCCESS & WELL-BEING ADVISING

Students are placed on the [Dean's List](#) when they achieve a GPA of 3.70 or higher on five or more half courses taken in either the Fall or Winter term at the University of Calgary. Not only do students receive a *Dean's List* notation on their permanent academic records, but they also receive a personalized letter from the Dean of Haskayne.

[Beta Gamma SIGMA \(BGS\)](#) is an invitation-only international honor society that recognizes the top 10% of Haskayne's BComm graduating class each year. BGS has many membership benefits and many of our Dean's List recipients have the goal of being invited into membership.
